Sir,

As per the discussion our representative visited your college with samples that are to be tested. Following are the tests that are required for the submitted samples.

**40mm Coarse Aggregate:**

1. Sieve analysis.
2. Aggregate Crushing value.
3. Aggregate Impact value.
4. Flakiness and Elongation Index.

**Bricks:**

1. Water absorption.
2. Compressive strength.
3. Dimension tolerance.
4. Efflorescence.

The 'to address' and the name of works are attached for your reference.  
Kindly provide us the test reports at the earliest possible.

Thanking you  
Sai Krishna.
