### ICT at SASI

SASI campus is equipped with world class ICT equipment's as part of improving the smart and intellectual infrastructure. Main attraction of ICT tools include two digital e-content recording studios where high quality videos for SWAYAM, JNTUK & APSCHE are being recorded. Teachers use ICT enabled tools including online resources for effective teaching and learning process. Based on the research and study done [R 1-R-12], we formed a new wing to address the combination of ICT & ITL (innovative teaching learning) to address the effectiveness in the teaching learning process. Following are few links and QR codes related to ICT & ITL.

QR code Process document:

**Making of E-Studio at SASI:**

**Making of SWAYAM Video at SASI:**

<https://youtu.be/4F4kFAAx268>

**QR Code Video: Making of SWAYAM promo at SASI**

**Functions:**

- 1) To map the frequency of teachers with the new digital generation student's psychology.
- 2) To pave basement towards university formation.
- 3) To enhance and highlight the innovative teaching leaning methods to prove the outcome-based education.
- 4) To motivate and train the teachers and students about the various methodologies through various brainstorming sessions to invent new perfect methods while

  
Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.Dt., A.P.

experimenting. It will lead to overall improvement in classroom performance and quality of education.

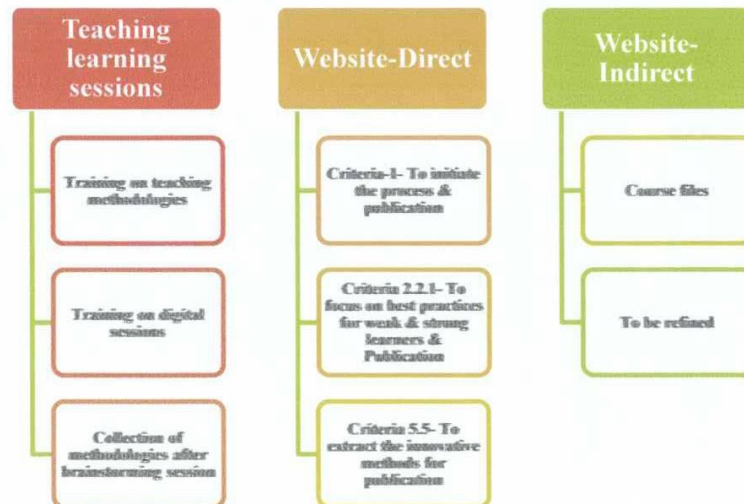

- 5) To showcase the works to world through systematic website with all the answers to the possible questions of stake-holders such as:
- 1) Parents visiting website for admission
  - 2) NBA/NAAC or any other national/international organization
  - 3) Placement companies
  - 4) Alumni etc.

We have done a decent work in using innovative teaching learning methods in classrooms and conducted a faculty orientation program on same. Quality circles were implemented as part of innovative methods for weak learners. (<https://www.sasi.ac.in/itl-ict/>)

#### Initiative under ICT

- 1) State of Digital studios for recording the E-content for state and national level funded platforms.
- 2) SASI is involved in training and awareness of faculties about the effectiveness of digital platforms.

Video link : <https://youtu.be/piPH-G19DbI>

- 3) SASI is involved in research to improve the teaching pedagogics [R-1 paper published by Principal- SASI]
- 4) SASI in SWAYAM: SASI faculties are contributing towards the betterment of student's education and involved in teaching on State as well National level. Dr. Sohel Rana, Assoc. Prof. ECE is teaching a course on SWAYAM portal which is approved by AICTE under the Ministry of Education, Government of India.

Following is the link of SWAYAM course:

Let. No. JNTUK/DAPE-Content/2022

Date: 19.04.2022

Dr. L. Sumalatha,  
M. Tech, Ph.D.,  
REGISTRAR

**CIRCULAR**

**Sub:** Registration of faculty and Students of all colleges affiliated to JNTUK and List of subject experts for E-Content development in Excel format by Autonomous colleges and Colleges permanently affiliated to JNTUK Kakinada

**Ref:** Online Meeting with Autonomous Colleges and colleges permanently affiliated to JNTUK, Kakinada Tuesday 19 April 2022

With reference to the above, principals of colleges affiliated to JNTUK Kakinada may note the following and send the information sought by 22-04-2022:

**E-Content Development by colleges:**

Many Government and reputed private organizations are developing E-content of several subjects exemplified by NPTEL. However, APSICHE wishes to translate NPTEL programs to Telugu and also develop E-content for all the subjects for the benefit of students of entire state. For NPTEL, true translation is not expected. Subtitles and additional content in Telugu are required.

We are all very fortunate that JNTUK has taken up this task and Hon'ble Vice Chancellor JNTUK, Kakinada Prof GVR Prasada Raju has issued orders to pay Honorarium also to the experts. All autonomous colleges and colleges permanently affiliated to JNTUK are requested to give the list of experts and subject nominated at the earliest but not later than 22 April '22 in an excel sheet (sent separately)

A subject can be handled by a team of faculty which may or may not include faculty from other colleges or university. Logistics must be provided by the college only and the name of the faculty, name of the college, JNTUK and APSICHE will be appearing in the video. 5 to 10 minute concept based video exemplified by Newton's Laws or Archimedes principle or Bernoulli's theorem also are welcome.

The faculty should give an undertaking that the content developed by him/her and the resources which were included in the video are free from copyright issues to avoid Copyright infringement. However you can also develop the content using free resources under Creative commons license (eg CC-BY-SA is also an open license. The letters SA (share alike) indicate that the adjusted work should be shared under the same license rights, so with the same CC license, NC (non-commercial use) and ND (no derivative works) are conditions that make the CC licenses more restrictive, and thus less open (visit <http://creativecommons.org/> for

Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.DL, A.P.

further details). Once the recorded video is submitted, faculty or college have no rights on the content. The videos will be uploaded in the web site by APSCHE as and when they are ready topic wise or unit wise. The signature slides and the scrolling of some important aspects and final editing will be done by APSCHE. Total duration per subject should be 4 to 8 hours per unit. Each subject has 5 units. Any technical assistance like on editing of audio, video, using FOSS (Free Open Source Software) Tools if needed, will be provided by the University with the help of APSCHE. Please use this life time opportunity for the society at large. It will make you eternal. Your knowledge will be used by the entire state for the decades to come.

Registration in APSCHE LMS Portal by each and every Faculty and Student of colleges affiliated to JNTUK Kakinada:

Principals of all colleges affiliated to JNTUK are requested to motivate students and see that each and every faculty and student from 3-1 to 4-2 registers in APSCHE LMS Portal. As AICTE with a National Educational Alliance for Technology (NEAT) is a one stop portal for quality digital teaching solutions products in education. These products help students develop skills that have a high demand among employers. Many of the Products are Intelligent and give a personalized learning experience to students. The initiative provides the use of best developed technological solutions in the education sector to enhance the employability of the youth on a single platform for learners' convenience, using Artificial Intelligence for a personalized and customized learning experience for better learning outcomes and skill development in the niche areas like AI, Python, Cloud, data analytics, cyber security, DevOps, Big data, Accounting and finance, CAD, IoT category. In this context, APSCHE opened registrations to students for the NEAT Certificate courses on the APSCHE LMS portal. Hence it is requested to the concerned to instruct all the eligible students to apply for a free Certificate Course. User Manual: [https://youtube Ep\\_HBQ\\_Erml](https://youtube Ep_HBQ_Erml).

Students should be aware of the fact that about 150,000 Internship programs in various fields are offered in the Portal at free of cost. Some of the courses that cost Rs 10000 each in open market are available in this portal free of cost. SC/ST/BC/EWS students can get NEAT coupons for pursuing Certificate courses at Free of Cost, as an encouragement by the Government. The scheme includes free seats for existing students of higher education from weaker sections of society. Colleges may send a report on Number of students registered in APSCHE LMS portal on or before 22-04-22.

F.No.40-55/AICTE/SWAYAM/TRANSLATION/2020

Dated: 03<sup>rd</sup> February, 2023

To

All Principal Secretaries of  
Directorate of Technical Higher Education of all the States  
(Through e-mail)

Sub: Seeking willingness from PG learners/Faculty for translation of SWAYAM MOOCs  
(online Courses) into Twelve (12) different Indian Regional Languages- Appeal -  
Regarding

Sir/Madam,

Kindly refer to AICTE's letter No. 40-55/AICTE/SWAYAM/TRANSLATION/2020, dated 7<sup>th</sup> April, 2022 from Chairman, AICTE on the subject cited above. (Copy attached for ready reference).

All India Council for Technical Education (AICTE) and IIT, Madras (NPTEL) have been mandated translation of 80 SWAYAM online courses of engineering into Twelve (12) different Indian Regional Languages viz., Bengali, Gujarati, Kannada, Malayalam, Marathi, Tamil, Hindi, Telugu, Assamese, Odia, Punjabi and Urdu. Out of these 80 online courses, AICTE has been allocated exclusively 19 SWAYAM online Courses for translation into different Indian Regional Languages.

AICTE had earlier issued an Appeal during May, 2020 and October, 2020 to all teachers, Senior Students, individuals and professionals of all Engineering Institutions seeking their willingness for translation of SWAYAM online Courses into eight Indian Languages. In response to above appeal, we got an encouraging response from faculty, professionals, PG students, and others showing their keen interest as Translators for our online courses. As a matter of fact, due to such overwhelming support only, AICTE has been able to complete translation of three (3) online courses of first year engineering and three other SWAYAM online courses into eight (8) Indian Regional Languages. Thus, AICTE has so far completed translation of six (6) SWAYAM online courses into eight different Indian Regional Languages viz. Bengali, Gujarati, Kannada, Malayalam, Marathi, Tamil, Hindi, Telugu. However, translation of these Six (6) courses is to be done in remaining four languages i.e. Assamese, Odia, Punjabi and Urdu. Similarly, AICTE has to complete translation of remaining 13 SWAYAM online courses into Twelve (12) different Indian Regional Languages viz., Bengali, Gujarati, Kannada, Malayalam, Marathi, Tamil, Hindi, Telugu, Assamese, Odia, Punjabi and Urdu.

In order to achieve the target for completing the translation of remaining 13 SWAYAM online courses expeditiously, AICTE needs active participation from Faculty Members/ PG learners of your Institute to take up this noble cause of translation of above courses into a language of their choice. AICTE, therefore, invites willingness from Faculty Members/PG learners of various Technical Higher Educational Institutions falling within the jurisdiction of your State for translation of the allocated courses into the language of their choice for translation of above SWAYAM online Courses into Twelve (12) different languages for which they may register themselves at the URL given below:

7

It is also informed here that AICTE has fixed an amount of Rs.3500/- per hour per course for one language of the translation script to be paid as honorarium to the translators for translating the online courses into the specific language of their choice.

Since the translation of all SWAYAM online Courses is to be done **ON PRIORITY**, an earnest appeal is made through you to all Faculty Members/ PG learners of the Institutions falling within the jurisdiction of your State for offering their services as **TRANSLATORS** for the SWAYAM online courses. They would also be awarded a "**CERTIFICATE OF APPRECIATION**" on completion of the translation of a course in a specific language of their choice out of Twelve (12) different Indian Regional languages. AICTE would need the services of Validators also later on for validation of these translated online courses into different Indian Regional Languages. Validators would be paid an Honorarium of Rs.2500/- per hour, per course for one language.

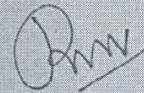

Let us all contribute and make our e-contents rich, easy and interesting in order to make India a most resourceful country in the world by providing online courses to all the students into the language of their choice and to overcome the language barriers.

**"VIDYA DAAN MAHA DAAN"**

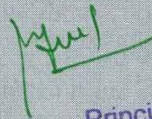

Awaiting an early response from the aspiring Faculty Members/ PG learners for the above noble cause.

With regards,

Yours sincerely,

(Dr. Ramesh Unnikrishnan)

F.No.40-55/AICTE/SWAYAM/TRANSLATION/2020

Dated: 7<sup>th</sup> April, 2022

To

All Principal Secretaries of  
Directorate of Technical Higher Education of all the States  
(Through e-mail)

Sub: Seeking willingness from PG learners/Faculty for translation of SWAYAM MOOCs  
(online Courses) into Twelve (12) different Indian Regional Languages - Appeal -  
Regarding

Sir/Madam,

This is to bring to your kind notice that All India Council for Technical Education (AICTE) and IIT, Madras (NPTEL) have been mandated to translate 80 MOOC online courses of engineering into Twelve (12) different Indian Regional Languages viz., Bengali, Gujarati, Kannada, Malayalam, Marathi, Tamil, Hindi, Telugu, Assamese, Odia, Punjabi and Urdu.

Out of these 80 online courses, AICTE was allocated exclusive 21 online Courses for translation into different Indian Regional Languages. AICTE has already completed translation of three (3) online courses of first year engineering and three other SWAYAM online course into eight (8) Indian Regional Languages. Thus, AICTE has so far completed translation of six (6) SWAYAM online courses into eight different Indian Regional Languages i.e. total 48 courses have so far been completed. However, subsequently, Ministry of Education, Government of India has decided that all SWAYAM online Courses should be available in Twelve (12) different Indian Regional Languages viz. Bengali, Gujarati, Kannada, Malayalam, Marathi, Tamil, Hindi, Telugu, Assamese, Odia, Punjabi and Urdu. Accordingly, AICTE has already initiated translation of all the online courses allocated to AICTE into Twelve (12) different Indian Regional Languages. In order to achieve the target for completing the translation expeditiously, AICTE needs Translators from various Universities/Institutions for translation of SWAYAM online Courses into Twelve (12) different languages. AICTE, therefore, invites willingness from Faculty Members/PG learners of various Technical Higher Educational Institutions falling within the jurisdiction of your State for translation of the allocated courses into the language of their choice.

AICTE had earlier issued an Appeal during May, 2020 and October, 2020 to all teachers, Senior Students, individuals and professionals of all Engineering Institutions seeking their willingness for translation of SWAYAM online Courses into eight Indian Languages. In response to above appeal, we got an encouraging response from faculty, professionals, PG students, and others showing their keen interest as Translators for our online courses. As a result, we have been able to take up the translation to some extent only. As a matter of fact, due to such overwhelming

  
Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.Dt., A.P.

support only, AICTE has been able to translate Six (6) SWAYAM MOOCs into eight (8) different Indian Regional Language and has completed translation of 2744 lectures i.e. 48 courses through off-line (manual) mode. However, the **PRIORITY** as on date is to get the translation of 19 online courses allocated to AICTE. Therefore, AICTE is still in need of active participation of Faculty Members/ PG learners of your institute to take up this noble cause of translation of above courses into a language of their choice and register themselves at the URL given below:

<https://forms.gle/A2Y9JLtcGsrasKpi7>

It is also informed here that AICTE has fixed an amount of Rs.3500/- per hour per course for one language of the translation script to be paid as honorarium to the translators for translating the online courses into the specific language of their choice.

Since the translation of all SWAYAM online Courses is to be done **ON PRIORITY**, an earnest appeal is made through you to all Faculty Members/ PG learners of the Institutions falling within the jurisdiction of your State for offering their services as **TRANSLATORS** for the SWAYAM online courses. **Circular-E Content Recording Schedule and Guidelines**

Please find the attached Timetable for Recording Videos with effect from 27 Jan 2023. Please Carry JNTU-K R20 Syllabus copy of your subject. Please Email your PPTs on [sohel@sasi.ac.in](mailto:sohel@sasi.ac.in) before class (if applicable). Please note that subject videos selected by JNTU-K will be floated on APSCH portal and remaining will be floated on SITE LMS website. Please report on time. In case of any clash kindly contact Dean-ICT. Videos can be recorded using Interactive Panel or Writing pads on Laptop. If your subject name is different than that of subject name mentioned in the JNTU-KR-20 syllabus then please inform and change the title in timetable. Faculties can record the sessions after 4.30 PM with prior information to Dean ICT. Sessions can be recorded even without PPTs directly using the interactive panel. Training to use the panel will be provided by the Dean-ICT. Maintain copyright free material. Use high pixel images. Usage of good quality GIFs is suggested. Timetable is attached along with the circular. In case of any doubt please feel free to contact Dean-ICT.

Ref-1: Resolutions of meeting of HODs & Deans conducted by Principal (dated: 10/01/2023)

As per the discussion & resolutions taken in the HODs & Deans meeting conducted by Principal on 10/01/2023 it is decided to create the websites cum blogs for second year subjects for upcoming II/II semester. This platform can be used to share the faculty blog/thoughts/notes/assignments and announcement along with other teaching material requirement.

Office of ICT will create the websites of all the subjects and take care of uploading and maintaining it for college website/moodle and inspecting committees etc.

One such sample website link is given below: <https://siteelectromagneticfields.wordpress.com/>

QR code of sample website:

In this regard HODs are requested to furnish the following details to the ICT office as per the details given below:

Submission deadline: 31<sup>st</sup> January 2023

The content required is as follows:

- 1) Approved Syllabus copy SITE -21M word file
- 2) Notes (handwritten/or copyright free material. ( at least one unit initially)).

  
Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.Dt., A.P.

F

10

- 3) E-content video- Minimum -01 ( to be prepared in ICT studio after training session)
- 4) Previous year question papers ( in a single pdf file)
- 5) List of faculty names handling the subject with their official email-ids.
- 6) Subject handling Faculty pics ( file name as faculty name with prefix)
- 7) Innovative teaching methods to be submitted after the brainstorming session.

**SOPs for ICT Coordinators**

SITE/Input-/ITL&ICT/2022/

23/09/2022

To,

All HoD's,

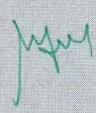

SITE, Tadepalligudem.

For improving the information flow to students and to improve the quality of content on website HODs are requested to appoint one suitable person as ICT in-charge. One way of improving the placement is to attract the good rank students to get admission in our institute. The main task of ICT is to create quality data to highlight, glamorize & propagate the information in best possible form to convince the outside world about our capabilities/best practices in education and extracurricular activities. All the internal stake holders are also requested to give their valuable inputs for improvements in any SOP step.

Roles and responsibilities and standard operating procedures (SOPs) are as given below:

**Departmental coordinator Duties & responsibilities:**

- 1) To send approved files only.
- 2) To make sure that proper proof reading of data is done.
- 3) To make sure that information related to NPTEL/Placement/GATE/GRE/E-Books/Innovative methods is being shared in students Whatsapp group/E-mail by faculties/class teachers.
- 4) Should check if the students are satisfied with the content/information shared by faculties/class teachers via e-mail/Whatsapp. ( A Google form for students input can be created )
- 5) Share the information related to departmental events for website as per the SOPs specified in next section.
- 6) Formation of newsletter committee including faculties and students. Create and share the department newsletter for website purpose (once in a semester).

  
Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.Dt., A.P.

- 7) Share the updated details for website such as: Academic calendar/timetable/NBA related files etc.
- 8) The coordinators will be responsible for thoroughly checking the previous data on website related to their respective department and updation/modification/removal request of outdated data on website.
- 9) To address any other ICT related issue

#### SOPs

- 1) Proofreading of data is necessary
- 2) For Event pics use the best camera/phone available in department.
- 3) Chose proper angle for pics which covers the maximum part of the event
- 4) The banner of event should be visible ( in absence of printed banner event details can be written on whiteboard with date ( in neat handwriting using color chalks/pens etc)
- 5) Use Geo-tab app in phone for the photographs so that the real time location, time and date will be visible on the photos. (Can use student/staff volunteer interested in photography)
- 6) Avoid irrelevant pics.
- 7) Chose specific pics with maximum information (around 3-4 pics only)
- 8) Explain the event in few words while sending the data.
- 9) **Email data to [sohel@sasi.ac.in](mailto:sohel@sasi.ac.in)**
- 10) **Subject line should be :** Name of event/file\_ Name of Department  
**For example :** E-mail subject for sending academic calendar :  
 Academic calendar\_Electronics& Communication Engg  
**File name format should be:**  
 Event or file name\_name of department\_academicyear\_semester  
**For example:** E-mail subject for sending academic calendar :  
 Acadcalendar\_ECE\_2022-2023\_odd

#### Central coordinator duties (coordinator is to be decided in HoDs meeting):

- 1) Sharing the data related to events conducted on central level.
- 2) Creation of central level newsletter.

**Office of Innovative Teaching Learning (ITL)**  
**Circular- E-content Development**

18/08/2022

SITE/ITL/2022/01

Ref: Lr.No.JNTUK/DAP/E-Content/2022 received from JNTUK dated 19/04/2022

As per the instructions of the Principal, E-content development work is to be carried out by SITE as per the guidelines given by JNTUK. All the HODs are requested to nominate the subject experts for e-content development. Minimum 2 staff members shall be nominated by departments based on the interest and skills in e-content development for the JNTU-K portal.

**Guidelines:**

- 1) JNTUK syllabus is to be considered.
- 2) A 5 to 10 minutes introductory video is to be made and submitted for the approval of the university.
- 3) Selected subject video faculties will need to make videos of the entire syllabus/chapters selected. Duration of this session will be 20 to 30 minutes.
- 4) Google link for the inputs and details of the course is shared in the group/E-mail.

<https://docs.google.com/spreadsheets/d/1vRaAHTi6liSO0JQ4sxoE5j8vIVQns67qGqszWPzisp8/edit?usp=sharing>

kindly make sure to fill these forms by 3 PM.

- 5) A sample video link is also shared for reference but teachers can have their own methodologies. ( Black-board Explanation, PPT presentation, animations etc)

<https://youtu.be/8WdXDCyn288>

Scan the following QR code for quick access to sample video:

Principal  
Sasi Institute of Technology & Engineering (A)  
Tadepalligudem, W.G.Dt., A.P

- 6) Copyright free content is a mandatory condition by the university.
- 7) Selected faculties shall give the declaration for the same.
- 8) A training session will be conducted as per the schedule given below.

**Note:**

- 1) JNTUK last date for the data submission was 22/04/2022, but JNTU has given a limited time to provide the sample videos. Hence, kindly consider treating it as urgent.
- 2) Recording assistance will be provided by Dr.Sohel Rana.
- 3) Kindly send the department coordinators on time. Attendance will be taken.

All the coordinators are to be informed to come up with some sample ideas or concepts in the training and brainstorming session.

**Tax Invoice**

Original

Invoice No: 2110702436 Invoice Date: 05/01/2023 Customer No: 7818002288 Dell Order No: 842101756

We hereby declare that though our aggregate turnover in any preceding financial year from 2017-18 onwards is more than the aggregate turnover notified under sub-rule (4) of rule 48, we are not required to prepare an invoice in terms of the provisions of the said sub-rule.

Per the GST ACT, no amendment for Tax Invoice can be made later than 31 October of the Financial Year following the Financial Year in which the invoice is issued. Customer shall reach out to Dell team in case of any such ask before 30 September of the following financial year for processing such request.

NOTE : Interest @ 24% per annum will be levied if paid beyond the due date

\*Amount and rate of Integrated Tax (IGST) stated in the invoice is as per the legal requirement under Rule 46 of the CGST Rules, 2017. IGST and Custom Duty stated in the invoice is paid on behalf of customer at the time of filing the Bill of Entry in the name of customer, is only for reimbursement. This tax invoice is not a valid document to avail input tax credit of IGST paid. Bill of Entry in the name of customer is a valid document to avail input tax credit of IGST paid in terms of Section 16(2)(a) of the CGST Act, 2017 read with Rule 36(1)(d) of the CGST Rules, 2017.

Further, Note 9 of the GSTR-1 format prescribed under The CGST Rules, 2017 also provide for transactions covered under BOE not be reported in GSTR-1\*

Original for Recipient, Duplicate for Transporter/Supplier.

Tax is not applicable on reverse charge basis

The Finance Act, 2020 has introduced Tax Collection at Source (TCS) provisions in the Income-tax Act, 1961 ("the Act") which require seller of goods to collect TCS on consideration received in excess of INR 50 lakhs in a Financial Year, towards such sale of goods. While determining applicability of TCS, Dell would evaluate relevant provisions of the Act including analysing whether taxes have been deducted under section 194Q or under any other provisions of the Act. Hence, while making payment, you are requested to provide the payment details along with details of tax deducted (if any) including the rate and section under which tax is deducted.

Where it is determined that TCS is applicable for any transaction(s), Dell, in accordance with the provisions of the Act, reserves the right to charge / collect / adjust TCS through an intimation in any form including by way of a debit / credit note, invoice(s) or any other means.

(1) The transaction in this document (all sales and services) is subject to Dell's Terms and Conditions available on [www.dell.com/ap](http://www.dell.com/ap) or on request. Services are provided by Dell as described in the relevant service agreement (which may comprise order forms or "Service Descriptions" available at [www.dell.com/ServiceContracts](http://www.dell.com/ServiceContracts), "Technical Specification Forms" or "Statements of Work"). (2) By signing a Dell Quotation and/or submitting a purchase order pursuant to Dell's Quotation, you acknowledge that you have read and agree to be bound by Dell's Terms and Conditions and any referenced Service Agreement (together the "Agreement"), all of which terms and conditions are herein included by reference. This Agreement is the final agreement between the parties in connection with the transaction, replacing any preprinted or other terms in any purchase order, invoice, or other document issued by either party. (3) The Agreement may not be amended or varied by any other subsequent terms or conditions imposed by you without: (a) prior written approval and signature of Dell's Segment General Manager or their delegate, and (b) a specific reference to this paragraph. (4) These commodities, technology or software were exported in accordance with the United States Export Administration Regulations. Diversion contrary to US law is prohibited.

This document is digitally signed by Trust Weaver on behalf of Dell International services India Private Limited. For visible signature, please refer to the cover page of the original copy of the invoice.

**Total (INR):** ₹2,50,802.92

*The Finance Act, 2020 has introduced Tax Collection at Source (TCS) provisions in the Income-tax Act, 1961 ("the Act") which require seller of goods to collect TCS on consideration received in excess of INR 50 lakhs in a Financial Year, towards such sale of goods. While determining applicability of TCS, Dell would evaluate relevant provisions of the Act including analysing whether taxes have been deducted under section 194Q or under any other provisions of the Act. Hence, while making payment, you are requested to provide the payment details along with details of tax deducted (if any) including the rate and section under which tax is deducted.*

*Where it is determined that TCS is applicable for any transaction(s), Dell, in accordance with the provisions of the Act, reserves the right to charge / collect / adjust TCS through an Intimation in any form including by way of a debit / credit note, invoice(s) or any other means.*
